EVENING PRIMROSE OIL

Nurture and nourish your body with Barlean's **Organic Evening Primrose Oil** for your **vibrant health and energy**.^{*} Evening Primrose Oil is revered for providing **relief from symptoms** associated with PMS and menopause such as cramps, hot flashes, breast tenderness and moodiness.^{*}

Evening Primrose Oil (EPO) is highly prized for its high content of a special fatty acid called Gamma-Linolenic Acid (GLA). Ordinarily, GLA is created in the body from dietary essential fatty acids such as those found in flax oil. However, in some people GLA is not adequately produced in the body. EPO offers a direct source of GLA for these individuals.
